Property Description

Nestled on the picturesque fringe of the charming coastal village of Dervaig, Glen Houses presents a rare opportunity to acquire a well-established holiday letting business on the ever-popular Isle of Mull.

Set within approximately 1.5 acres, the listing comprises three detached timber-built cottages, thoughtfully positioned to capture the stunning views of the surrounding countryside. Each cottage is elevated to make the most of the natural outlook and designed with comfort and practicality in mind. The accommodation in each unit typically includes:

- A welcoming family living area
- A well-equipped kitchen
- Bathroom and hallway
- Two bedrooms, ideal for families or small groups

While individual specifications of the three properties vary slightly, the core design principles remain consistent, ensuring a harmonious aesthetic across the site. The cottages are currently configured as an owners' cottage and two letting cottages.

Access to Glen Houses is via a shared driveway leading from the island's single-track road. A centralized parking area provides ample space for multiple vehicles, catering to guests and residents alike.

Adding further appeal, the site includes a development plot with planning

permission in principle for a single residential dwelling—offering scope for expansion or the creation of a bespoke home. Each property benefits from its own council tax registration, and all share a communal septic tank system.

The location enjoys enduring popularity among holidaymakers seeking a tranquil escape to this popular Scottish island.
